Establishment of IEC Tehnopolis

Innovation and Entrepreneurship Center Tehnopolis has been actively developing the promotion of micro, small and medium enterprises through numerous forms of support that it organizes and implements.

Tehnopolis is recognized today as a place of promotion and development of entrepreneurship, which enables the establishment and development of new businesses, job creation based on new innovative ideas and technology, not only in Niksic, but in Montenegro and the region.

Business Incubator

The main objective of business incubators is to create instruments to support the development of entrepreneurship, ie. support the development of micro, small and medium enterprises and create new jobs.

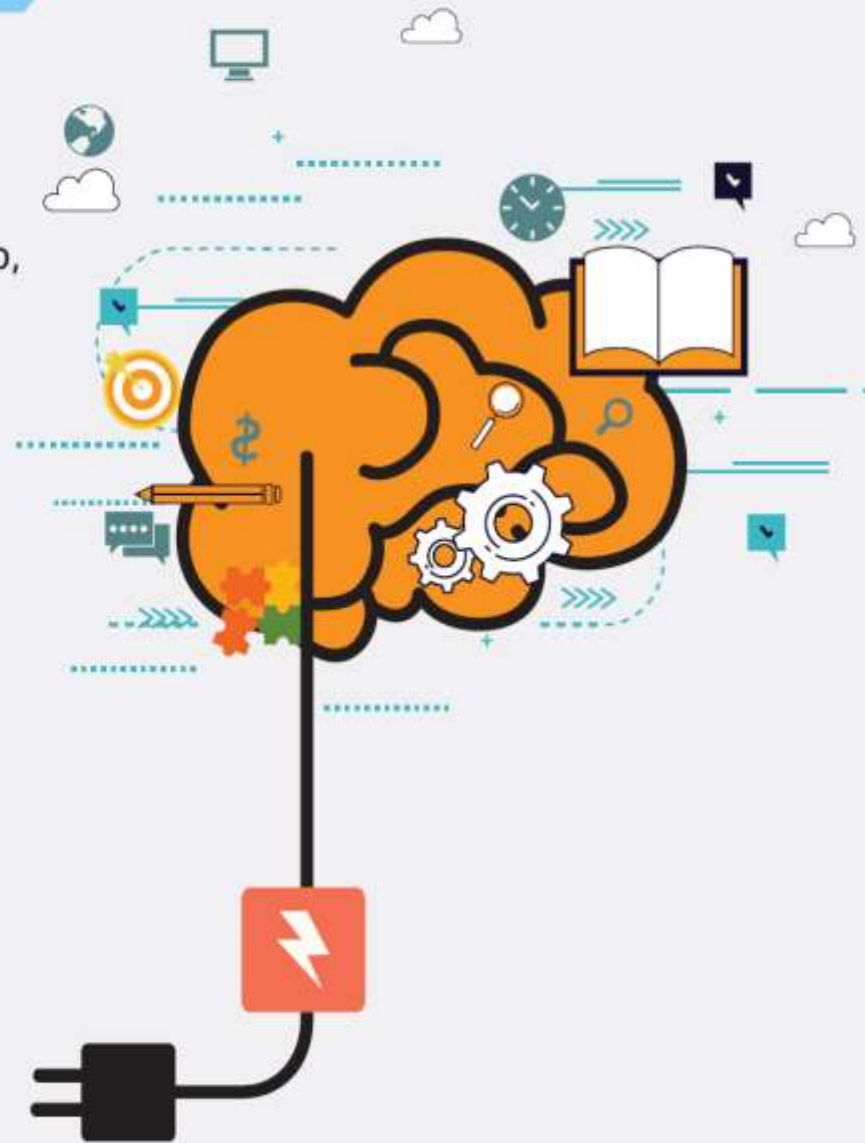

Four types of support:

Preincubation

Incubation

Virtual incubation

Support with commercial conditions
